## A Great Career – It's All in the Numbers

- According to a 2007 survey, **97%** of apprenticeship graduates were employed and **96%** of those were employed in the trade in which they apprenticed.
- **96%** of apprentice graduates in 2007 said that if they had to do it again they would still choose to become an apprentice.

- **95%** of employers surveyed in 2008 expressed satisfaction with the skills of certified journeypersons.

*“ Some people think that if you work in the trades, you ended up there by default, but that's wrong. I'm challenged more working in the trades than I ever was in an office. ”*
