

## Technical Training Resource List

This information is for counselling purposes only. As technical training resources are updated frequently, **apprentices are advised not to purchase any items listed below until after meeting their instructor on the first day of class.** The resources listed below may be purchased from the technical training provider offering the program.

### A. Required for Technical Training

#### Gasfitter A

##### For All Three Periods

1. [Trade Course Outline](#)
2. [Individual Learning Modules \(ILM\)\\*](#)
3. B 149.1 Installation Code for Natural Gas
4. Handi Guide Occupational Health and Safety

**\*Note:** ILMs are periodically reviewed and updated. The most current versions of ILMs are listed at [www.tradesecrets.gov.ab.ca/ilm](http://www.tradesecrets.gov.ab.ca/ilm). Prior to purchasing your ILMs you should verify with your instructor the version you will be using in the classroom.

##### Second Period

- ⊞ B 149.2 Installation Code for Propane Gas (Also used in third period)

##### Third Period

- ⊞ The Gasfitter Guide to Electrical Schematics

#### Gasfitter B

##### For The Two Periods

- ⊞ Same as First and Second Periods of Gasfitter
