

Technical Training Resource List

This information is for counselling purposes only. As technical training resources are updated frequently, **apprentices are advised not to purchase any items listed below until after meeting their instructor on the first day of class.** The resources listed below may be purchased from the technical training provider offering the program.

A. Required for Technical Training

For First Period

1. [Trade Course Outline](#)
2. [Individual Learning Modules](#) (ILMs)*

***Note:** ILMs are periodically reviewed and updated. The most current versions of ILMs are listed at www.tradesecrets.gov.ab.ca/ilm. Prior to purchasing your ILMs you should verify with your instructor the version you will be using in the classroom.
